

How to use CharkPortal – Complete Guide

Step 1: Registration

The registration form is displayed on the left side of the image. It contains the following fields:

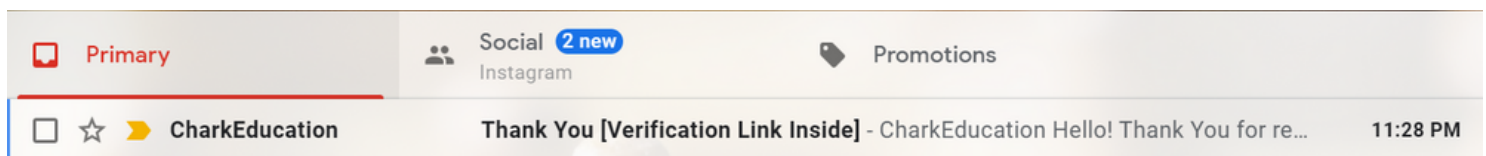

- First Name (text input)
- Last Name (text input)
- Telephone (text input)
- Email Address (text input)
- Address (text input)
- City (text input)
- State (text input)
- Postal Code (text input)
- Country (dropdown menu)
- Password (text input)
- Confirm Password (text input)

A red "Register" button is located at the bottom of the form. To the right of the form is a photograph of a woman in a white shirt stretching her arms while sitting up in bed.

Fill out the form and Hit Register. Once you Register, You are going to receive an email with Verification Link.

Check your Inbox, If you didn't receive the email check your spam or promotion tab.

Whitelist and prioritize all emails from CharkEducation.

Verify Now

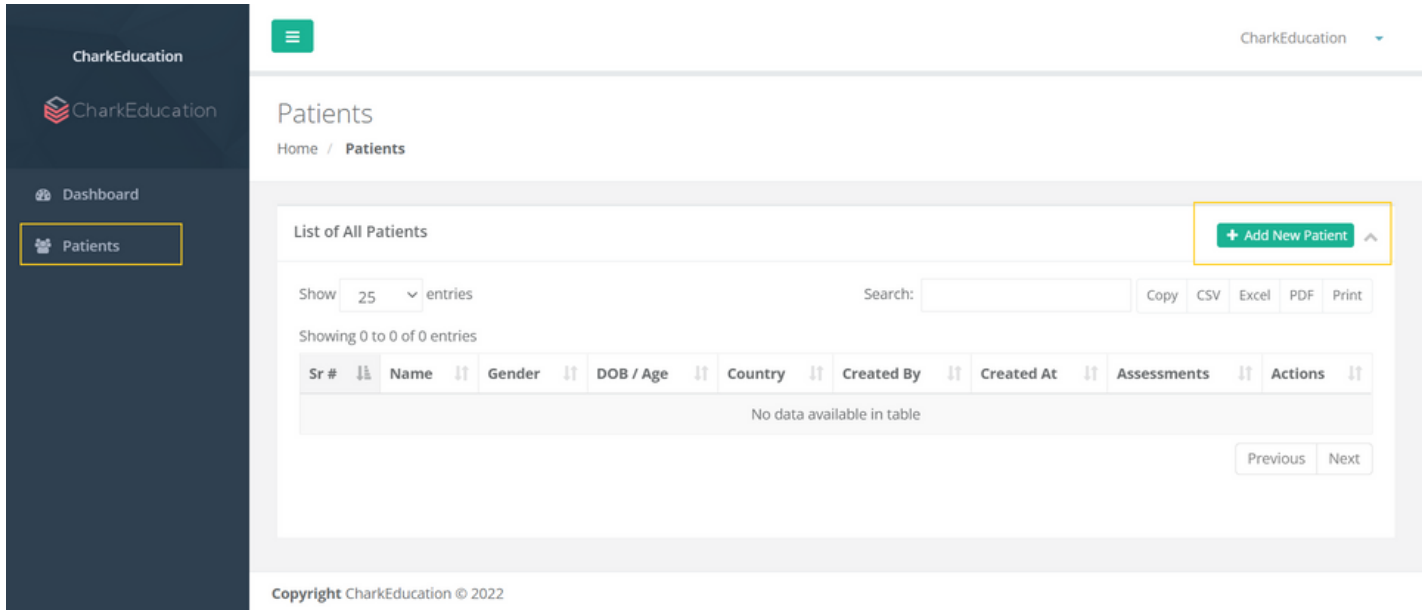

Regards,
CharkEducation

Add Patient Details and Hit Save

The screenshot shows the 'Patients' form in the CharkEducation application. The form is titled 'Patients' and has a breadcrumb trail 'Home / Patients'. It contains the following fields:

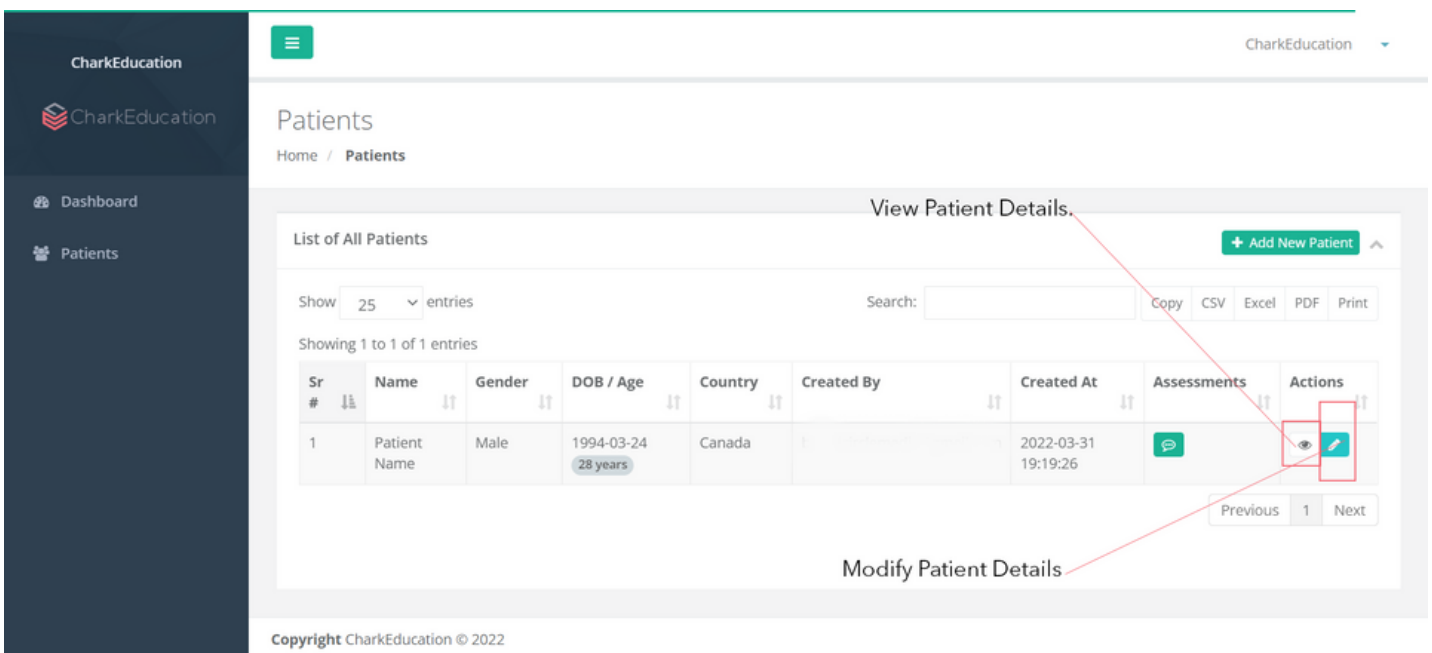

- Patient Name ***: A text input field with the placeholder 'Patient Name'.
- Gender ***: Radio buttons for 'Male' and 'Female'.
- Date of Birth ***: A date input field with the placeholder 'mm/dd/yyyy' and a calendar icon.
- Country ***: A dropdown menu with the placeholder 'Select Country'.

A green 'Save' button is located at the bottom right of the form. The footer of the page reads 'Copyright CharkEducation © 2022'.

Enter The Details and Hit Save.

Once you save the Patient Details, You will be able to see all of your patients and their details.

You Can View Patient Details by clicking the eye icon Or Edit the information by clicking the pencil icon.

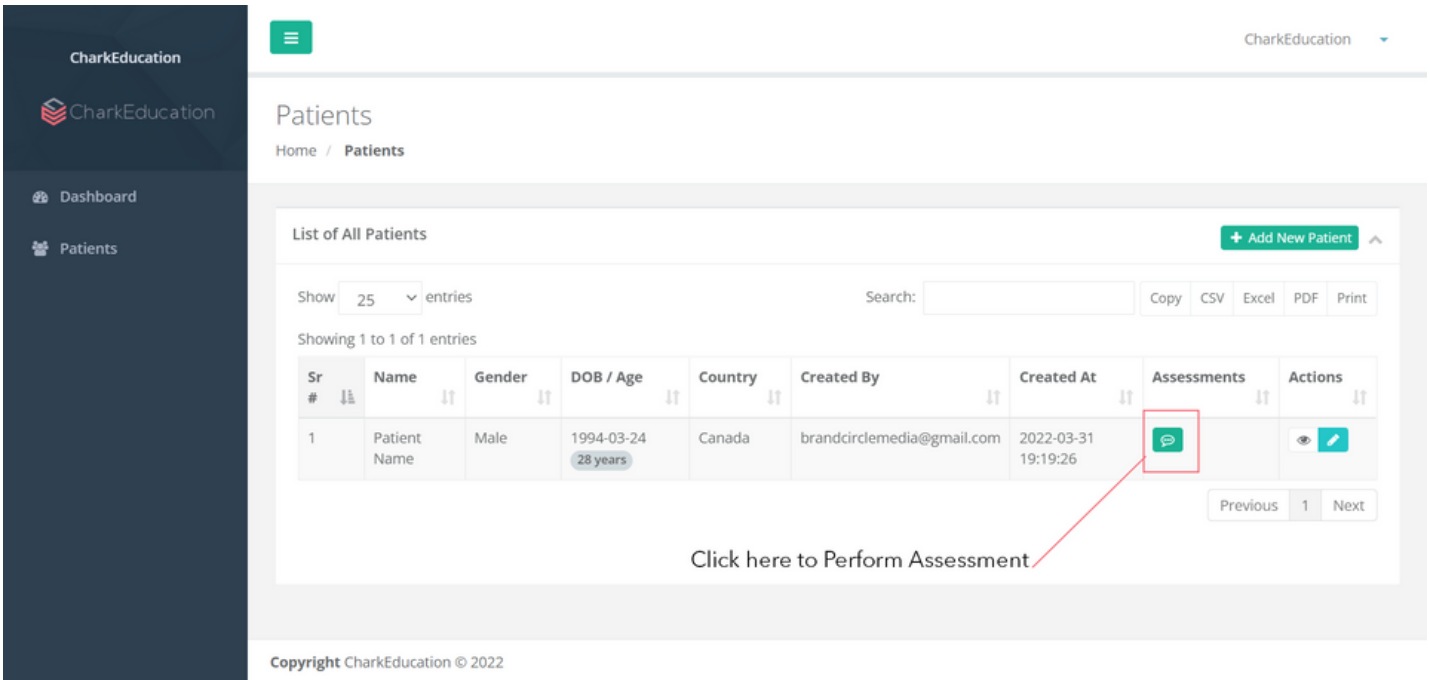

The screenshot shows the 'Patients' list in the CharkEducation application. The page is titled 'Patients' and has a breadcrumb trail 'Home / Patients'. It includes a search bar, a 'Show 25 entries' dropdown, and a '+ Add New Patient' button. The table below lists the patients:

Sr #	Name	Gender	DOB / Age	Country	Created By	Created At	Assessments	Actions
1	Patient Name	Male	1994-03-24 28 years	Canada		2022-03-31 19:19:26		View Patient Details. Modify Patient Details.

The 'Actions' column for the first patient contains two icons: an eye icon (labeled 'View Patient Details.') and a pencil icon (labeled 'Modify Patient Details.'). The table also includes pagination controls at the bottom: 'Previous', '1', and 'Next'.

Step 3: Perform Assessment
